If this judgment imposes a fine, special assessment, costs, or restitution obligation, it shall be a condition of supervised release that the defendant pay any such fine, assessments, costs, and restitution that remains unpaid at the commencement of the term of supervised release and shall comply with the following special conditions:

- (3) that the time frame and structure of the special condition is for minimum time frame and to the minimum extent necessary to protect the public*

The defendant is prohibited from incurring any new credit charges or opening additional lines of credit without the approval of the probation officer, unless the defendant is in compliance with a payment schedule for any fine obligation.
